WHY CORPORATE CONTACTS FROM DATA HQ

Corporate Contacts is the premium B2B mailing list, giving you access to the senior decision makers of the top corporate companies in the UK.

The Corporate Contacts marketing list is a very highly refined data resource offering the most up-to-date contact details for directors, managers and senior professionals in large corporate organisations – ideal for those targeting high level business professionals.

The database comprises 20,000 records of the UK's largest organisations including all of the FTSE 350 and the top 1,000 companies through to large privately owned businesses.

We hold contact details on 120,000 of the organisation's named senior directors and managers including their email address, telephone number, address and specific job title.

The contacts cover predominantly directors and managers within:

- Managing Director
- CEO
- IT
- Finance
- HR/Personnel
- Sales
- Marketing
- Facilities
- Procurement
- Purchasing
- Training

In addition we have contacts within :

- Operations
- Production and Engineering
- Personal Assistants and Secretaries
- Office and Administration
- Health and Safety

HOW IS THE DATA COMPILED?

The data is researched, expanded, updated and maintained on a continual basis by our dedicated team of full time Data Researchers.

All contact data is determined following meticulous research into the primary and most senior contacts within each department. Each contact is verified at least once every 12 weeks and there are new contacts being added to the database every day.

Accurate data pertaining to decision makers is highly sought after and of great value. The Corporate Contacts database contains contacts that are not found on other lists.
